Sanjay Jawa appointed as COO and CFO of FD International

Financial Dynamics International (FD), the leading international business communications consultancy, announced today the appointment of Sanjay Jawa as Chief Financial Officer and Chief Operating Officer. Sanjay joins from Hawkpoint Partners, the London-based corporate finance house, where he was Finance Director.

Prior to joining Hawkpoint, Sanjay held various senior operational and financial roles at a number of venture capital-financed companies. Between 1991 and 2000 he worked for Barclays Global Investors, where he was Finance Director and latterly Chief of Staff for the European business. Previously he was an audit manager at Price Waterhouse London.

In this new role, Sanjay will work directly with FD's Chief Executive Charles Watson and the rest of the international management team as the consultancy continues to grow its business following its management buyout last year.

Commenting on the appointment Charles Watson, said:

"Sanjay brings with him a wealth of experience which will be of great benefit to Financial Dynamics as the business evolves as an integrated international communications consultancy. He has strong financial, operational and strategic skills that will be invaluable as we continue to grow the business."

Sanjay Jawa added:

"Since Financial Dynamics' management buyout last year, the business is starting to experience real growth on both sides of the Atlantic as it continues to implement its strategy of building one of the only truly international financial and corporate communications consultancies. It is an incredibly exciting time to be joining the business."
